

Private Equity Africa Awards 2022 ITL bags Corporate Financial Advisor Award & CEO Ben Lim receives Advisor Individual Decade Award

We are proud to share with you that Intercontinental Trust Ltd (ITL) has won the **Corporate Financial Advisor Award** at the Private Equity Africa (PEA) Awards 2022. In addition to this prestigious distinction, our CEO, Ben Lim, was also awarded the **Advisor Individual Decade Award** for his contribution to the development of the industry over the past decade.

Already in its tenth edition, this year, the PEA Awards highlights the success of high achievers and recognizes the outstanding accomplishments of key industry players across the private equity landscape.

Ben shares his views on this success:

"Having won the Local Funds Advisor Award in 2021 and the Corporate Financial Advisor Award this year, we are more confident than ever that our reinforced preparedness and sheer determination to emerge stronger from the pandemic have contributed to our stellar performance.

This reward would not have been possible without our passionate staff who are the driving force behind our unfaltering service delivery, and we take this opportunity to extend our sincere thanks to our clients for their trust and support.

I am also deeply honored to have received a personal distinguished recognition from PEA, to which I extend my sincere appreciation for their consideration. Looking forward to contributing even more to this burgeoning industry and wishing for many more years of continued success alongside well-wishing stakeholders!"

The PEA 2022 Awards Gala Dinner was held in London on 20 October 2022.
